Tomorrow's Duplication

Welcome to the new age of duplication. ***R-Quest***™ is at it again with the ultra-fast, highly reliable ***TCA-9800***™! With 220 disc capacity, eight - 52x speed burners, and ***R-Quest's***™ proprietary board technology, the ***TCA-9800***™ will surely exceed all of your duplicating needs. Need volume? Then look no further! The ***TCA-9800***™ can copy well over 100 full (650mb) CD's per hour, all without the need of a PC or human interaction! Now THAT'S fast and efficient!

Small but Potent

Short on space? Don't worry, the ***TCA-9800***™ was designed with space in mind. The amazingly small footprint combined with the quiet and smooth robotics makes the ***TCA-9800***™ perfect for the office environment. In addition, the optional network capabilities makes this one of the most robust office copiers available today!

Frame accurate copies. Ability to separate good CD's from bad CD's. Batch mode for multiple masters. Audio compilation for those custom discs. All of these features and more are standard on the ***TCA-9800***™. As always, the ***TCA-9800***™ comes with the ***R-Quest***™ reputation for reliability!

Upgrade guaranteed! Worried about purchasing a product that is obsolete in 2 weeks? Then worry no more! All products purchased from ***R-Quest***™ are guaranteed an upgrade path for as long as you own it! Now that's solid technology!
